

# Leonardo Shinozaki

## Graphic/web designer

I was born on June 7, 1997 in Bassano del Grappa (VI), I have Italian and Japanese citizenship. I create and maintain websites and design advertising graphics to promote companies. I am very passionate about the web, photography, cinema and music! I love creativity and projects where I can express it.

## Work experience

### Graphic/Web design and Technical support - ITO Srl(full-time)

Apr 2025 - May 2025 · 1 month - Trieste, TS (Italy)

The main tasks I have carried out are:

- Renewal of the company website [www.itotech.it](http://www.itotech.it), arrangement of the company logo and updating and translation of the company brochure
- Creation of the LinkedIn and Google Mybusiness pages
- Technical assistance and customer support for updating and maintaining software on customers' computers
- Layout and design planning for customer loyalty cards

### Photographer - Eventi Animazione (full-time)

Jun 2024 - Sep 2024 · 3 months - Nova Siri, MT (Italy)

Specifically, I performed these activities:

- Creation of portrait photographs for customers of the tourist village and sale
- Photographs of entertainment events, including group dances, sports tournaments, and sports that can be done in the village
- Entertainment through some short sketches at the theater and dance sequences

### Graphic / Web designer - ArteGrafica Munari (stage)

Sep 2023 - Feb 2024 · 6 months - Carmignano di Brenta, PD (Italy)

In my internship I am doing various assignments related to graphic design including:

- Packaging design creation for food, hygienic and sanitary products
- Renovation of corporate websites (in progress)
- Creation of banners, posters and logos to advertise various realities
- Layout of various content for making books and calendars
- Introduction to printing using high-volume machines after processing them in graphic softwares

### Graphic / Web designer - Altrarete srl (stage)

Nov 2022 - Feb 2023 · 4 months - Bassano del Grappa, VI (Italy)

The work done was very varied, both because each activity tackled differed significantly from the previous one and because it required the use of heterogeneous and different tools and skills. Specifically, I carried out these activities:

- Creation of a website, business cards and christmas cards for clients
- Maintenance of various websites commissioned to the company
- Layout of a catalog for travel, and arrangement of instructions for a catalog for technical products
- Data entry activities for images, text and translations on websites

### Graphic designer - LFA architecture&engineering (stage)

Sep 2021 - Jan 2022 · 5 months - Schio, VI (Italy)

Specifically, I carried out the following activities:

- Creation of architectural flows within various floor plans with Illustrator
- Renewal of company signatures for emails, business cards and labels
- Preparation of layouts for the current state with Indesign
- Updating of the graphics used on company documentation

I authorize the processing of my personal data pursuant to Legislative Decree 101/2018 and art. 13 GDPR (EU Regulation 2016/679) for the purposes of personnel research and selection.
